- ° I appreciated the briefing on modernization of the Ops Center. As we agreed, there are some basic issues to be resolved concerning receipt of imagery, FBIS TV, scope of support to Beale's organization, relationship to OCR, etc.
- ° Since these issues will involve several of the information handling organizations represented on the Information Systems Board, I'd like to ask that you give the briefing you gave me to the Commo, ODP and DI members of the ISB, namely Messrs. [redacted] [redacted] is also a Board member.]
